"Follow Me and I will make you fishers of men." - Matthew 4:19

## A Year in Review

2014 was a big year for the Koeppen family! Changes to both the ministry God has called us to and our personal lives. We would like to invite you on a journey with us to

On April 9th we welcomed Evelyn Grace into the world and celebrated our three-year anniversary a week later! This past summer we spent time learning about caring for our beautiful baby girl and raising support.

At the beginning of the semester Kevin took on the role of MTL (Missional Team Leader) at UW-Stout! As an MTL Kevin has been challenged to lead an entire campus movement. He has realized more and more how much He needs to rely on the Lord and work well with a team. Kevin has also learned more about empowering other students to lead and about the importance of having the right leaders lead.

We held two conferences for students in NW WI - Fall Retreat and Life Options. For many freshmen, Fall Retreat is their first big step to identifying with the ministry of Cru. Praise God for the 62 freshmen who came out! Our Life Options conference was a great way for us to invite juniors and seniors, as well as a few select sophomores to join the ministry after graduation by interning, going overseas, or joining staff.

We are excited that several of them are praying about working in NW WI next year with Cru!

On October 22nd and 23rd, Rick James came to both Stout and Eau Claire to present at outreach called Jesus Without Religion. Two of the guys Kevin has been getting to know throughout this past semester both indicated making decisions to trust Christ with their lives - Jake and Michel (from Cameroon)! After the event, Kevin was able to meet with Jake to talk about assurance of salvation and help him understand the security he has in his new relationship with Christ!

We were so blessed to be able to celebrate the birth of our Savior for the first time with Evelyn this year. It was so fun starting new traditions and reading through the Christmas story with her!

Please continue to pray with us over the next month as we prepare for the upcoming semester. Pray also for students as they are home on winter break. This can be an especially hard time, especially for students who do not have a Christian support system at home.

Thank you for your faithful prayers and support over the past year. We value you so much and are looking forward to what God will do in 2015!
